Meet “Billy” our Instant Hot Water Kettle!

Enjoy boiling hot water at the touch of a button. With a generous 2.5-litre capacity and an inbuilt chlorine removal function, this Top Gun instant kettle is perfect for busy homes, offices, and entertaining. Fast, efficient, and easy to use, it delivers hot water in seconds—no waiting around. Designed with safety features and a sleek finish, it’s the hassle-free way to keep the hot drinks flowing all day.

## Kettle Features

- Powerful 1200W element for rapid boiling.
- Split design, easier to pick up.
- Removable water tray, easier to clean.
- Temperature: 45-95°C
- High Borosilicate Glass, 316 Stainless Steel
- Quantitative Outlet Water: 30-400ml
- Clear LCD screen, large buttons.

Dechlorination Function - The 3-minute boil mode keeps the water at a sustained boil instead of stopping at first boil.

That 3 minute extended boiling:

- Drives off significantly more chlorine
- Improves taste
- Reduces odor

It's essentially an automatic "dechlorination cycle."
