

Dealer Bulletin # DB2020-07

Arrival Update – Top Gun’s “Bandit”

Due to unforeseen circumstances the manufacturing of our “Bandit” (previously communicated to you as the TG100R Traveller) was delayed. We have been advised our new ETA to Australia will be late September which is very exciting! Due to the overwhelming response to our Forward Order release, demand for these little scooters is such that we have had to already place a second order.

**Don’t forget to get your Forward Order Forms in ASAP
As these will be filled on an ‘as received’ basis**

The “Bandit” will be price pointed with an Amazing RRP and great dealer margins as per the Stock Forward Order form previously sent out to you all.

Dealer Price Mark \$ 1,150.00
RRP \$1,999.00
