

Dealer Bulletin # DB2021-15

Scooter Serial Number Locations

DAYTONA, BLAZER, CHARGER, EVEREST, MUSTANG, AVENGER & SAFARI

White sticker located under the floor mat (you need to pull up the floor mat) will have a barcode & serial number. This sticker is only about the size of your thumb.

There is a secondary scooter serial number sticker attached to the motor which is identical (not the actual motor serial number)

PHANTOM

Small black plate attached to frame at rear of scooter. Please add an "L" to the front of this number

EMPEROR & ALBATROSS

Plate on the frame under the seat, near batteries. Please add an "L" to the front of this number

Dealer Bulletin # DB2021-15

Scooter Serial Number Locations

TRANZFORMA

On the bottom of the frame, lift/tilt up from where the footrest is on the powerchair section and there is a plate with number stamped onto it. The full serial number in this instance (as recorded on our system and the customers invoice) is P450159-M480159.

LION

Small white sticker attached to frame at rear of scooter.

GO-LITE

Small white sticker/label located on the bottom underneath the scooter.

Dealer Bulletin # DB2021-15
