

Follow the below steps to reinstall the Zoom logo onto the LCD screen.

1. Download the LCD Re-installment ZOOM Logos. (**Deler Portal – Mustang Pro – Service/Technical – LCD Reinstalment Logos**)
2. Copy the logos onto a USB.
3. Turn on the scooter with the UBS plugged into the scooter.
4. After about 30 seconds, unplug the USB.
5. Turn the scooter off and then back on.
6. Your screen should show up like this.
