Compact. Durable. Lightweight

EZI-MOVER

Patient Transfer

Zoom Mobility
EAZY LIVING

Designed with both patient comfort and caregiver safety in mind, our Patient Transfer Chair offers a reliable and efficient solution for moving individuals with limited mobility. Its sturdy yet lightweight frame allows for easy manoeuvrability through tight spaces, while ergonomic handles and smooth-rolling wheels ensure controlled, strain-free transfers.

Featuring a supportive, contoured seat and secure safety straps, the chair provides stability and reassurance for patients during movement. The compact design makes it ideal for use across all environments alike.
