

Ultra Lightweight, Carbon Fibre.

Flytemax Air

**Zoom
Mobility**
EASY LIVING

The FlyteMax Air is an ultra-lightweight carbon fibre powerchair designed for people who want greater independence without compromising on comfort, portability, or reliability. Weighing just 13.3kg without the battery, this compact powerchair folds in seconds for easy transport and storage, making it the perfect travel companion for everyday adventures. Powered by dual 200W motors and a removable lithium battery, the FlyteMax Air delivers smooth, responsive performance with a range of up to 10km per charge. Whether you're navigating shopping centers, footpaths, airports, or indoor spaces, the intuitive joystick control and compact design help you get where you need to go with confidence.

Flytemax Air Features

- **Ultra-Light Carbon Fibre Frame** - Durable, strong, and incredibly lightweight.
- **Compact Folding Design** - Folds quickly into a compact size of 60 x 32 x 74.5cm.
- **Powerful Dual Motors** - Twin 24V 200W motors provide smooth acceleration and reliable performance.
- **Removable Lithium Battery** - Equipped with a 24V 10Ah lithium battery.
- **Easy to Use Joystick Control** - Simple fingertip operation with adjustable speed settings.
- **Comfortable Everyday Seating** - Features a generously sized seat.
- **Flip Up Armrests** - Designed for easier transfers on and off the chair.
- **Indoor & Outdoor Performance** - Suitable for flat indoor and outdoor surfaces.
- **Safety Focused Design** - Includes anti-tip wheels, automatic electromagnetic braking, adjustable speed controls, and a secure seat belt.
- **Strong Weight Capacity** - Designed to support users up to 136kg.
