

# Kensington

## CLAIM YOUR INDEPENDENCE

Delivering a stable and safe lift that can easily be operated by remote control, Zoom Mobility Kensington toilet/commode is an easy-to-use toilet transfer solution. The rise motion of most lift chairs is a familiar movement for many people. It therefore allows people to toilet independently or with reduced care while at the same time minimizing the risk of a fall or getting stuck.

**Zoom**  
**Mobility**  
EASY LIVING

## Kensington Features

- Ergonomically designed to relieve the knee force required to transfer to and from a toilet seat
- Removable portable bed pan for convenient bedside use
- Battery powered device that enables users with restricted mobility to get on and off the toilet at the touch of a button
- Slowly lifts the body and drops down for added safety
- Armrest support enables greater stability and safety when transferring for toileting
- Rear wheels for easy manoeuvrability (move from room to room if required)
- Maximum Load weight 200kg
