EASY LIVING

The Rover Powerchair is engineered for the ultimate mobility with its Omni-directional wheels, allowing for smooth and precise navigation in any direction. It features advance mobile Bluetooth capability for easy control and connectivity, while the electric fold and unfold button offers hassle-free transport and storage. With a 4 wheel drive for superior support traction and stability, the Rover also includes a seat lift that raises and moves forward, ensuring greater comfort and accessibility for the user.

Rover Features

- 10" Omni directional front wheels which allows for high precision, smooth operation, compact design, reduced wear and tear, and versatility.
- Mobile/Bluetooth compatibility.
- LED lighting & reverse warning sounds.
- Ventilated honeycomb seat cushion which can reduce pressure to the user.
- Fully adjustable backrest, headrest and leg supports.
- Multi functional professional joystick.
- 4 Wheel drive.
- Seat lifts and moves forward.
