EASY LIVING

The Rover X Pro Powerchair is built for reliability and smooth navigation, boasting a sturdy frame with a safe working load of 120kg. Its design includes a 8" front Omni wheel that ensures effortless maneuverability in tight, spaces while the 10" rear solid tyres provide a stable and comfortable ride on the various terrains. The combination of these features makes the Rover X Pro Powerchair a dependable choice for those seeking both strength and precision in their mobility solution.
