

Smooth Performance
& Everyday Comfort!
Elevating!

Bruno-Evo

TopGun
Mobility
Mobility & Homecare Specialists

The Galaxy is the powerchair that's built to take you further. With a sleek frame, responsive controls, and serious comfort, the Galaxy delivers stellar performance indoors and out. Whether your navigating tight corners or cruising open paths, the Galaxy is your ride to independence, confidence and next-level mobility.

Bruno-Evo Features

- Seat lift function raises up to 30cm.
- Seat lift operates in approximately 13 seconds.
- Fibre Optic Sensor - There is a fiber optic sensor on the Bruno Evo, consisting of a receiving end and an emitting end. The emitting end emits infrared rays, and the receiving end is responsible for receiving them. When an obstacle blocks the infrared rays, the sensor sends a signal to the controller. The controller then executes the instruction to stop the lifting motor from working.
- High-performance 210W motor.
- Comfortable and supportive captain seat.
- Front and rear 6" castors for stability and manoeuvrability.
- 10" middle power wheel for reliable traction and control.
- Smooth indoor and outdoor performance.
- Easy-to-use joystick controls.

Specifications

Weight	128kg
Safe Working Load (SWL)	136kg
Colour Options	Blue Red
